Beef Expo to be Held at State Fairgrounds

The Minnesota Beef Expo will be held October 21-24, 2010 at the Minnesota State Fairgrounds in St. Paul.

This is a yearly roundup for cattlemen, cattlemen and youth throughout the state. They gather to celebrate and promote the beef industry. The event provides a unique opportunity for cattle producers and beef-specific agribusiness to take part in the largest beef industry event in the upper Midwest.

Events held during the four-day Expo include shows, sales, a seedstock galley, education demonstrations and seminars, and junior activities including a judging and showmanship contest.

All breed sales take place Saturday, October 23 during the day with the selection of the Supreme champion awarded that evening immediately following the dinner and presentations of the winners of the heifers from the Minnesota Youth Beef Experience program.

For more information, contact the Beef Expo office at 651/643-
